Subject: EPA & ODEQ Request Mar 30 Congressional Meeting on Portland Harbor
Date: Monday, February 22, 2016 4:13:27 PM

Hello. This is a request for a meeting with Senators Merkley and Wyden, and Representatives Bonamici, Blumenauer, DeFazio and Schrader in Portland on March 30. The purpose is for EPA Office of Superfund Remediation and Technology Innovation Director Jim Woolford, EPA Regional Administrator Dennis McLerran, and ODEQ Director Dick Pedersen to provide an update on the Portland Harbor Superfund site. Ideally, we would like to have a single 1-hour meeting at EPA's Portland Operations Office sometime between 9:00 am and 2:30 pm PST. If that does not work, we are open to having more than one meeting and/or some participation by conference call.

Please let me know if there are times that would work. Replies to all would be helpful. Thank you.

With my regards,
Cindy Colgate Schuster
